

DUO-SAFETY LADDER CORPORATION

Notice Effective 10/1/2003

Duo-Safety Ladder has discontinued our line of 585-YG Fiberglass folding ladders. As of 11/21/03 we sold the balance of our stock and the item has been dropped from production

Only Aluminum Folding Ladders model 585-A will be available

The lack of sales is the primary reason for the discontinue of the fiberglass folding ladder line.
