

DUO-SAFETY LADDER - MARINE DIVISION

Marine Ladder Safety Shoes

Our Safety Shoes are designed for use on Duo-Safety marine ladder models. Shoes are equipped with rugged, spiked toes for ground use and are easily converted to rubber soled shoes for inside use. Toes are made of hardened steel with suction cup rubber bottoms. All Safety Shoes are sold per pair and are optional additions to any marine ladder model.

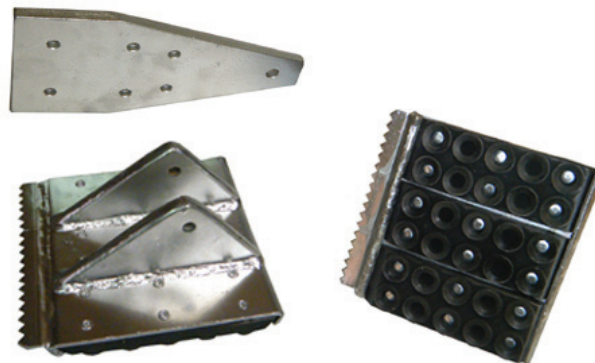

1-Pad Style

Style used on MF Ladder only
